

Replacement Powercap® Infinity® Carry Case

CEU170-001-100

POWERCAP
INFINITY

DESCRIPTION

Bespoke storage bag for PowerCap® Infinity®. Designed specifically to store and transport the unit. The carry case comes complete with carry handle and shoulder straps. Inside the case you will find four removable draw string storage bags to hold parts such as batteries and filters. The case includes reflective piping and logo for increased visibility.

FEATURES

- PowerCap® Infinity® has been developed as a modular system, making it easy to disassemble and reassemble for ease of cleaning and maintenance. To ensure the optimal performance of PowerCap® Infinity® it is important that maintenance is carried out on a regular basis. No specialist tools required.
- Extensive user trials were conducted, putting the PowerCap® Infinity® to the test in a variety of harsh conditions.
