

ForceShield

Code # 120-3700

Product Description:

MaxiTek® ForceShield Gloves; Cut 5 with 'Wet Grip' performance and impact protection.

This leading edge glove delivers all round hand protection against a combination of commonly found working hazards such as cuts, strike or crush impact and wet work.

- **EN388:2016 "D" Certified Higher Rated Cut Resistant** protection glove. Palm and Fingers are coated with "Wet Grip" nitrile, the inner liner is manufactured from ultrafine Cut 5 material.
- **EN388:2016 "P" Certified Impact protection** built into the dorsal and fingers of the glove.
- **High Visibility Design** with 'Wet Grip' performance.
- **Vulcanised Padding** for thumb crotch reinforcement.

Applications:

- Cutting
- Drilling
- Grinding
- Heavy Assembly Work
- Scaffold Erecting and Dogging
- Demolition and Recycling
- Any Other Serious Challenge You Wish to Tackle
