

AQUACLEAN PLUS LENS CLEANING RANGE

The AquaClean Plus Lens Cleaning Station offers a new and improved formula with anti-bacterial protection. It includes a 500ml Lens Cleaning Spray and 2 x 280 Tissue Boxes, perfect for cleaning safety glasses, goggles, face shields, visors, and more. The Lens Cleaning Spray is alcohol free, anti-bacterial, anti-static, and anti-reflective. The non-abrasive, low-lint tissues are highly absorbent, ensuring a streak-free clean. Tested safe on all optics and performance certified by Colts Laboratories.
